

The Blue Cross Blue Shield National Provider Finder

You have access to the Blue Cross and Blue Shield network within the U.S., Puerto Rico, and U.S. Virgin Islands. You may visit any Blue Cross and Blue Shield provider you choose, nationwide. More than 92% of doctors and 96% of hospitals participate in the Blue Cross and Blue Shield network.

How to Find a Doctor, Hospital, or Other Provider

Visit www.geobluestudents.com and in the **Resource Center** section, under **Find a Provider** click on **U.S. Providers**. You can also use the **GeoBlue app**.

After you launch the **Blue National Doctor and Hospital Provider Finder**, follow these four easy steps to find a provider near you.

1

Enter your city and state. You can also enter your zip code.

 **Your Location** _____ 

Please enter a location

2

Click on **“Select a plan.”**

 **Your Plan** [Select a plan >](#)

You must select a plan to search

3

Enter the first three letters on your member ID card (QHS) and click **“Go.”**

GeoBlue 	
Member Name	_____
QHS000000000J	_____
