SECTION 11: CLAIM PROVISIONS

Notice Of Claim: A claimant must give Us or Our authorized representative written (or authorized electronic or telephonic) notice of claim within 20 days after any loss covered by the Policy occurs. Failure to give such notice with the time prescribed will not invalidate or reduce any claim if it was not reasonably possible to give the notice within that time; and if notice was given as soon as reasonably possible. This notice should identify the Covered Person and the Policy Number.

Notice of Acceptance/Rejection of Claim: We will notify a claimant in writing of the acceptance or rejection of a claim not later than the 15th business day after the date We receive all items, statements, and forms required to secure final proof of loss.

Claim Forms: Upon receiving written notice of claim, We will send claim forms to the claimant within 15 days. If We do not furnish such claim forms within 15 days after We receive notice of claim, the claimant will satisfy the requirements of written proof of loss by sending the written (or authorized electronic or telephonic) proof as shown below. The proof must describe the occurrence, extent and nature of the loss.

Proof Of Loss: Written (or authorized electronic or telephonic) proof of loss must be sent to the agent authorized to receive it. Written (or authorized electronic or telephonic) proof must be given within 90 days after the date of loss. Failure to furnish such proof within the time required will neither invalidate nor reduce any claim if it was not reasonably possible to provide written proof within such time and written proof of the loss is provided as soon as reasonably possible. In no event, except in the absence of legal capacity, will proof of loss be accepted if it is sent later than one year from the time proof is otherwise required.

Claimant Cooperation Provision: Failure of a claimant to reasonably cooperate with Us in the administration of a claim may result in the delay or termination of a claim. Such cooperation includes, but is not limited to, providing any reasonably required information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Time Payment Of Claims: We will pay benefits due under this Policy for any loss other than benefits for loss of time not later than the 60th day after the date We receive written (or authorized electronic or telephonic) proof of such loss. Subject to due written (or authorized electronic) proof of loss, all accrued

benefits payable under this Policy for loss of time will be paid monthly during the period for which We are liable, and any balance remaining unpaid at the end of that period will be paid as soon as possible after We receive written (or authorized electronic or telephonic) proof of loss.

Payment Of Claims: All benefits of the policy, other than benefits for loss of life, will be paid to the Covered Person or the Covered Person's assignee. Subject to the provisions of the Policy, benefits for loss of life of a Covered Person will be paid to:

- (1) the beneficiary designated by the Covered Person or the beneficiary's assignee;
- (2) the family member specified by the Policy terms, if the Policy contains conditions relating to family status; or
- (3) the estate of the Covered Person, if the designated or specified beneficiary is not living at the time the Covered Person dies.

If any benefits are payable to the estate of a Covered Person or to a Covered Person who is a minor or is otherwise not competent to give a valid release, We may pay the benefits to any individual related by consanguinity or affinity to the individual who We determine is equitably entitled to the benefits.

We may pay benefits on the child's behalf to a person who is not a group member if an order providing for the appointment of a possessory or managing conservator of the child has been issued by a court in this or another state.

We will repay the actual costs of medical expenses the Texas Department of Human Services pays through medical assistance for a Covered Person if, under the Policy, the Covered Person is entitled to payment for the medical expenses.

Beneficiary: The Insured may designate a beneficiary. The Insured has the right to change the beneficiary at any time by written (or electronic and telephonic) notice. If the Insured is a minor, his or her parent or guardian may exercise this right for him or her. The change will be effective when We or Our authorized agent receive it. When received, the effective date is the date the notice was signed. We are not liable for any payments made before the change was received. We cannot attest to the validity of a change.

The Insured is the beneficiary for any covered Dependent.

Payment of Medical Claims: At the request of: the Covered Person; or his or her parent or guardian; if the Covered Person is a minor, medical benefit may be paid to the provider of service. Any payment made in good faith will end our liability to the extent of the payment.

Physical Examinations And Autopsy: We have the right to have a Doctor of Our choice examine the Covered Person as often as is reasonably necessary. This section applies: when a claim is pending; or while benefits are being paid. We also have the right to request an autopsy in the case of death, unless the law or religious law forbids it. We will pay the cost of the examination or autopsy.

Legal Actions: No lawsuit or action in equity can be brought to recover on the Policy: (1) before 60 days following the date proof of loss was given to Us; or (2) after 3 years following the date proof of loss is required.

Recovery of Overpayment or Error: If benefits are overpaid, or paid in error, We have the right to recover the amount overpaid, or paid in error, by any or all of the following methods:

1. A request for lump sum payment of the amount overpaid, or paid in error.
2. Reduction of any proceeds payable under the Policy by the amount overpaid, or paid in error.
3. Taking any other action available to Us.

Subrogation: We may recover any Medical Expense benefits paid under the Policy to the extent a Covered Person is paid for the same Injury or Sickness by: a third party; another insurer; or the Covered Person's uninsured motorists insurance. We may only be reimbursed to the amount of the Covered Person's recovery. Further, We have the right to offset future benefits payable to the Covered Person under the Policy against such recovery.

We may file a lien in a Covered Person's action against the third party and have a lien on any recovery that the Covered Person receives whether by: settlement; judgment; or otherwise; and regardless of how such funds are designated. We shall have a right to recovery of the full amount of benefits paid under the Policy for the Injury or Sickness, and that amount shall be deducted first from any recovery made by the Covered Person. We will not be responsible for the Covered Person's attorney's fees or other costs.

Upon request the Covered Person must complete the required forms and return them to Us or Our authorized agent. The Covered Person must cooperate fully with Us or Our representative in asserting its right to recover. The Covered Person will be personally liable for reimbursement to Us to the extent of any recovery obtained by the Covered Person from any third party. If it is necessary for Us to institute legal action against the Covered Person for failure to repay Us, the Covered Person will be personally liable for all costs of collection, including reasonable attorneys' fees.

SECTION 12: PREMIUM PROVISIONS

Premiums: The premiums for the Policy will be based on the rates currently in force, the plan, and amount of insurance in effect.

Changes In Premium Rates: We may change the premium rates from time to time with at least 60 days advanced written notice. No change in rates will be made until 1 year after the Policy Effective Date. An increase in rates will not be made more often than once in a 12 month period. However, We reserve the right to change rates at any time if any of the following events take place.

1. The terms of the Policy change.
2. A division; subsidiary; affiliated organization; or eligible class is added or deleted from the Policy.
3. There is a change in the factors bearing on the risk assumed.
4. There is a misrepresentation in the information We relied on in establishing the rate.
5. Any federal or state law or regulation is amended to the extent it affects Our benefit obligation.

If an increase or decrease in rates takes place on a date that is not a Premium Due Date, a pro rata adjustment will apply from the date of the change to the next Premium Due Date.

Payment of Premium: The first premium is due on the Policy Effective Date. After that, premiums will be due annually unless We agree with the Policyholder on some other method of premium payment. The Policyholder shall remit the premium to Us.

If any premium is not paid when due, the Policy will be canceled as of the Premium Due Date, except as provided in the Policy Grace Period section.

Policy Grace Period: A Policy Grace Period of 31 days will be granted for the payment of the required premiums. The Policy will remain in force during the Grace Period. If the required premiums are not paid during the Policy Grace Period, insurance will end upon the expiration of the Grace Period. The Policyholder will be liable to Us for any unpaid premium for the time the Policy was in force.

Reinstatement: If any renewal premium is not paid within the time granted the Policyholder per payment, a subsequent acceptance of premium by Us or by any agent duly authorized by Us to accept the premium, without requiring an application for reinstatement, shall reinstate the Policy. If We or our agent

requires an application for reinstatement and issues a conditional receipt for the premium tendered, the Policy will be reinstated upon approval for the application by Us, or if not approved, upon the forty-fifth (45th) day following the date of the conditional receipt unless We have previously notified the Policyholder in writing of disapproval of the application. The reinstated Policy shall cover only loss resulting from any accidental injury sustained after the date of reinstatement that begins more than ten (10) days after that date. In all other respects We and the Policyholder shall have the same rights as they had under the Policy immediately before the due date of the defaulted premium, subject to any endorsements attached in connection with the reinstatement. Any premium accepted in connection with a reinstatement shall be applied to a period for which premium has not been previously paid, but not to any period more than sixty (60) days prior to the date of reinstatement.

SECTION 13: GENERAL PROVISIONS

Entire Contract; Changes: The Policy (including any endorsements or amendments), and the signed application of the Policyholder are the entire contract. Any statements made by the Policyholder or Covered Persons will be treated as representations and not warranties. No such statement shall: void the insurance; reduce the benefits; or be used in defense of a claim for loss incurred; unless: it is contained in a written application; and a copy is provided to the person who made such statement (or their beneficiary or representative).

To be valid, any change or waiver must be in writing. It must: be signed by our President or Secretary; and be attached to the Policy. No agent has authority to change or waive any part of the Policy.

Policy Effective Date And Termination Date: The Policy begins on the Policy Effective Date at 12:01 AM Standard Time at the address of the Policyholder where the Policy is delivered. Either We or the Policyholder may terminate the Policy on any Premium Due Date by giving 31 days advance written notice to the other party. The Policy may be terminated at any time by mutual written consent of the Policyholder and Us. The Policy terminates automatically on the earlier of: 1) the end of the Policy Term shown in the Schedule of Benefits; or 2) the Premium due date if Premiums are not paid when due, subject to the Grace Period. Termination takes effect at 12:01 AM Standard Time at the Policyholder's address on the date of termination.

Incontestability: The validity of this Policy may not be contested after the Policy has been in force for two years after its date of issue. In the absence of fraud, a statement made by a Covered Person relating to the Covered Person's insurability may not be used in contesting the validity of the insurance with respect to which the statement was made: a) after the insurance has been in force before the contest for two years during the Covered Person's lifetime; and b) unless the statement is contained in a written instrument signed by the Covered Person making the statement.

Misstatement of Age: If the age of the Covered Person has been misstated, We will adjust the benefits under this Policy to those that would be applicable at the correct age.

Assignment: The rights and benefits provided by this Policy, except as provided herein, may not be assigned. The payee may, after a benefit or series of benefits has become payable, assign only those benefits. Such assignment will be valid only if We receive it before any of those benefits have been paid and only for benefits payable for claims arising from the same Covered Accident. Any other attempt to assign will be void.

Clerical Error: If a clerical error is made, it will not affect the insurance of any Covered Person. No error will continue the insurance of a Covered Person beyond the date it should end under the Policy terms.

Examination Of Records And Audit: We shall be permitted to examine and audit the Policyholder's books and records: at any time during the term of the Policy; and within 2 years after the termination of the Policy as they relate to the premiums or subject matter of this insurance.

Certificates Of Insurance: Where it is required by law, or upon the request of the Policyholder, We will make available certificates outlining the insurance coverage and to whom benefits are payable under the Policy.

Conformity With State Laws: On the effective date of the Policy, any provision that is in conflict with the laws in the state where it is issued is amended to conform to the minimum requirements of such laws.

Not In Lieu Of Workers' Compensation: The Policy is not a Workers' Compensation policy. It does not provide Workers' Compensation benefits.
